Hairo®

Learn the secrets to styling beautiful, sexy hair...the Hairo way!

Hairo® is a boutique brand of professional hair styling products, created in 2005 by three hair stylist. Hairo® was launched and designed to deliver, perform and create real hair styling results.

Made in America, is our mission. Hairo® is made local, produced to order. We don't have a warehouse and store thousands of units, rather we keep it boutique and fresh, making it first choice for salon professionals.

wash and blowdry

The Hairo Studio, washandblowdry.com located at 135 Newbury Street in Boston was created to showcase our work and products. It's a destination for styling, a place for clients to come in and experience a blow dry or hair styling.

Also when having a service done you will be educated by one of our professionals on products, tools and hair styling, so that you are able to re-create our signature looks another time. Hairo has created several styles you can choose from in our services menu.
